ABOUT US

HOP CAT (THAILAND)

We hold the believe that discovering new experiences and engaging with diverse cultures, customs, and traditions will help us understand the thoughts and lives of people in different environments, thereby broadening our perspectives in unique ways.

We are committed to being the ones who bring everyone to experience new things, treating them like family. Our goal is to ensure that every moment is filled with happiness, fun, and excitement as they explore the ever-changing world around them.

HOP EDUTRAVEL

We hold the believe that children's potential will be fully developed when they are exposed to environments that differ from their usual surroundings. This will help open new perspectives and prepare them to grow into quality adults who are ready to face an ever-changing future.

03 SHORT TRIP for School and Organization

Hop Cat offers tailored travel experiences in Thailand to meet the needs of both educational and corporate groups. Here are some examples:

EXAMPLE :

EP & IP program Yupparaj Wittayalai School

Hop Cat has arranged this trip for students in the English Program and International Program (EP & IP) at Yupparaj Wittayalai School. The students will experience life abroad in Japan, discovering the enchanting old city of Kyoto, paying homage to the Great Buddha (Daibutsu), feeding deer in Nara, and enjoying thrilling adventures at Osaka Universal Studio.

IP program Samakkhi Witthayakhom School

The annual trip for students in the International Program at Samakkhi Witthayakhom School allowed them to experience life in South Korea. They visited Ewha Womans University and the largest library in Korea, tried on hanbok, the traditional Korean attire, and explored various museums.
